Welcome to Camas Community Education!

The purpose of our community education program is to **Enrich Your Life** with quality extra-curricular activities. We do this by providing a variety of before and after school programs for Camas community members and beyond. These classes are offered at school sites throughout the Camas area serving both youth and adults. Wednesday Early Release classes are offered at six locations including bussing to Zellerbach Administration Center (ZAC) from all Camas elementary schools.

Our classes are self supporting and taught by knowledgeable instructors with expertise in the subject area they are teaching.

This publication is our **“new and improved”** brochure. You will find copies of it at our Community Education office, the Camas School District office, the Camas Public Library, and local schools. For a listing of all our classes and services visit us online at, **www.camascommunityed.org**.

We hope you enjoy our new format and invite you to **Enrich Your Life** with a community education class today! For additional information on our program please feel free to call or email us anytime.

Thank you for your continued support of Camas Community Education.

The Community Education Program is non profit. Instructor and staff salaries, materials, supplies, and fees are paid out of student tuitions.
