All staff members complete CPR/First Aid training and continuing education classes annually in child development and safety training.

Camas Extended Day Program maintains a 15:1 student-to-staff ratio, in order to provide the highest level of quality care.

The staff are culturally competent and encourage all families regardless of race, creed, ethnic or cultural background to participate in the Camas Extended Day Program.

Children need a nurturing environment, which reflects warmth and security. Camas Extended Day Program provides a family-like atmosphere, where children can socialize in a fun and safe environment. Activities encourage creativity and permit children the freedom to explore and learn through play.

Camas Extended Day Program is based on understanding the needs of children, to create a home away from home. The program offers a variety of activities, provided by a warm, and caring staff. The atmosphere is structured, but relaxed. It allows for small group, large group, and individual social interaction.
