From the Principal

Dear Parents, Guardians and Students:

Welcome to the 2017-2018 school year! Helen Baller Elementary School's staff is committed to meeting the needs of all our children. We believe it is important to create an environment where kids feel welcome, are engaged and have fun while learning. We have high academic and behavior expectations for all of our students. As a result of these beliefs, the Helen Baller staff collaboratively works hard to provide a safe environment where all our kids can be successful.

In this handbook you will find important information about Helen Baller Elementary School. The purpose of the handbook is to familiarize you with our practices. The policies and procedures have been designed to make Helen Baller Elementary a safe and productive learning environment.

Please take some time to read this handbook thoroughly. We hope you find it to be helpful in answering any questions you may have. If not, please let us know by contacting our school office at 833-5720 or me via email: aaron.parman@camas.wednet.edu.

I also invite you to peruse our website, read our mission and vision statements and get to know us. If you have time, we also encourage you to contact any one of the Helen Baller's dedicated staff.

Sincerely,

Aaron Parman, Principal

THE SCHOOL MISSION

To support our students so they can grow academically, socially and behaviorally.

THE SCHOOL VISION

At Helen Baller Elementary, we believe all students can learn. Students are provided a safe environment with high expectations for all. The key to success is the fundamental belief held by all staff members that Helen Baller students are our kids. Not yours, not mine, OURS! As a collaborative learning community, we develop lessons that are aligned with the Common Core Standards and use instructional strategies to engage and meet our students' needs. We are committed to meeting all challenges with a positive attitude and following the school rules of being responsible, respectful and safe.

THE HELEN BALLER PLEDGE

***I WILL DO MY BEST TO BE MY BEST.
I WILL BE RESPONSIBLE, RESPECTFUL, AND SAFE.
TOGETHER WE WILL BUILD SELF-ESTEEM.
AT HELEN BALLER, WE ARE A COMMUNITY OF LEARNERS.
WE CAN LEARN! WE WILL LEARN!***

BEFORE SCHOOL PARENT-STUDENT DROP-OFF

If you are transporting your child to school, please use the front parking lot to drop them off. **Students should not arrive before 8:45 AM.** We do not have staff to supervise students before this time. Student safety is one of our top priorities.

DISMISSAL

Students will be designated as bus riders, walkers or after school care at the Jack Will and Rob Center or Zellerbach Administration Center. If a student is a designated walker, parents can meet their child in a predetermined area on or near the playground or by the Jack Will and Rob building which is located on the back side of the Helen Baller campus on NE Ione Street.

Walkers will be checked out in the cafeteria and exit through the south playground doors. They have the option of walking home or meeting up with parents on the playground or nearby location. Kindergarten students will be walked by para-educators to the picnic table located next to the playground to meet their parents, guardians or older siblings.

It is important that parents communicate with their child where to meet and remind them to head back to the office if no one shows up to meet them in a timely manner. We will have staff members on the playground to monitor the area until 3:40. We do ask that you plan to arrive to pick your child by 3:30.

As you know, parking is limited around Helen Baller and the area can get quite congested. We encourage families on bus lines to take advantage of this service.

RESPONDING TO BULLYING

Bullying can greatly affect learning and the school climate, and is unacceptable. We strive to teach pro-social behavior, encourage positive interactions, and appropriately respond to bullying behavior. Teachers and our school counselor teach all students empathy, friendship skills, problem-solving, anger management and how to respond to bullying behavior through district adopted curriculum. Bullying is defined as: behavior that is mean and one-sided. It happens when someone keeps hurting, threatening or leaving someone out on purpose. Students are taught the three "R"s as a way to respond to bullying. To "R"ecognize if bullying is occurring, "R"efuse bullying by standing up for themselves with verbal strategies if it is safe to do so, and to "R"eport bullying to an adult. Persons suffering from bullying behavior and those using power in mean ways both need support and clearly defined structure to recover and change. It is important for staff, parents and children to work together to solve bullying problems when they occur.

Behavioral Expectations

We believe it is important to teach children the behaviors we expect at school so they can learn how to be responsible citizens. Our goal is to create an environment that is safe, kind, and respectful. Through a program called Positive Behavior Support Planning, we are prepared to make positive student behavior a top priority where we work to reinforce common expectations around the school. Data on student behavior is reviewed monthly so we can keep our school environment positive and focused on learning.

Our Positive Behavior Support Program Starts with Common Behavior Expectations

The following expectations will be taught and re-taught explicitly by all staff in the school. Students will be held to a common standard and be given appropriate reinforcement to help them be a good citizen of our school. Parent volunteers and substitutes are encouraged to hold students to the same high standards.

Playground/Recess Expectations

The following guidelines have been designed to facilitate positive playground interactions and experiences.

On the playground, the behavior rules are clearly outlined. We expect all children to learn and follow these playground rules. Specific game and equipment guidelines are also printed here as a reference for students and to help increase consistency of expected behavior in common areas. **The goal of the playground is to be a safe and fun area for kids to play.**

Camas School District Elementary Handbook

THE CAMAS SCHOOL DISTRICT MISSION

The mission of the Camas School District is to provide students with the abilities to communicate effectively, use technology, reason, be self-confident, possess mental and physical health, and work effectively with others. In broader terms, our mission is to create a learning community where teachers and citizens are jointly involved in the advancement of knowledge and personal growth.

Parent Involvement

VOLUNTEERS AND VISITORS

We invite parents and guardians to visit and participate in school activities as volunteers. Parents are welcome to chaperone students on field trips and to share their time and special talents with students. If you wish to volunteer in the school, please go to the Camas School District website for a volunteer application form. The office will make a copy of your ID and send the form and ID to district office for volunteer approval. Please allow at least five school days for the district to process and clear your volunteer application before helping out at school or chaperoning. **An approved volunteer application lasts for 2 years.**

Parents and other visitors are always welcome in our school. For the safety of our children, we must insist that all visitors come to the office before going to any location on campus to sign in and get a visitor sticker. Additionally, this check-in procedure allows staff to know who is in the building in case of an emergency. So please, come to the office to check in even if you have been here many times or are just having lunch. Our intent is never to offend or discourage your visits; we just need to account for everyone in our building.

If an adult visitor wishes to observe a classroom, a time should be prearranged with the classroom teacher and the principal. Inviting friends or other children to visit is not permitted during the regular school day.

There is much more information about visitor and volunteer policies in the flier: "A Guide for Volunteers and Visitors to Building in the Camas School District", available in the school office or online.

REPORT CARDS

Report cards go home to parents three times each year: in early December and mid-March with each child and mailed to parents/guardians at the end of the school year.

Coming to School

SCHOOL HOURS:

| | |
|--------------------------|---------|
| Doors Open to Students | 8:45 AM |
| School Begins | 9:00 AM |
| End of Day (M, T, TH, F) | 3:30 PM |
| Early Release Wednesday | 1:10 PM |

See the district calendar on the Camas School District website for a view of school holidays.

EARLY RELEASE:

The Camas School District has early dismissal every Wednesday at 1:10 PM. Teachers use early release time to plan and prepare lessons, attend in-service trainings, and meet with teaching teams in professional learning communities.

TARDINESS = ARRIVAL AFTER 9:05 AM

Students are expected to be in each classroom when their doors open at 9:00 AM, but no later than 9:05 AM when the tardy bell rings. Students late to school need to report to the office for an admittance form to class.

NOTE: Contact the school office before 2:30 PM (12:00 PM on Wednesdays) if your child will be going home from school a non-typical way. (Example: He/she usually rides the bus, but will be picked up by parent today.)

ABSENCES: SEE APPENDIX C FOR ADDITIONAL INFORMATION

Student attendance is essential to success in school. Most subjects are taught in sequence, requiring understanding of each concept in order to make progress. Sending work home to a student that was absent is not a replacement for the rich learning that takes place in the classroom. Parents play the key role in stressing the importance of regular, on-time attendance. Please remember that according to state policy, illness, medical appointment, religious observance and family emergency are the only reasons for having an excused absence. Persistent absenteeism and/or tardiness create a genuine hardship for a student and the teacher and is regarded as a very serious problem. Special requests and family vacations will not be excused if they are determined by the school to adversely affect the student's educational progress per district policy.

Parents are asked to notify the school each day their child is absent. An automated phone message will be sent on each day that your child is not at school. We request that you call, send a note, or email each day your child is gone with a detailed explanation of why they were not at school.

Students are responsible for making up missed work. Requests for homework for absences due to illness can be made through the office.

Family trips should be planned on non-school days in order to support each student's education. Teachers are not expected to produce homework for students going on family trips in advance. Students gone for reasons unrelated to illness or emergency will have assignments available to them to make up upon their return.

If he or she is out for 5 consecutive days or more due to illness, a doctor's excuse is necessary. Students with ongoing health issues will be contacted by our school health officials to develop a plan to ensure good attendance.

DRESS CODE

Students come to school to learn. We do everything we can to insure that we set a tone for a professional learning environment. One thing that impacts how children react to the learning climate is their dress. It has been established at the federal, state, and district level that schools may establish a dress code in order to support the learning environment.

The following is not an inclusive list. Any clothing, makeup or accessory which detracts from instruction is not appropriate. We request our parents and students to use their best judgment and if questions arise, please ask our staff.

- The most appropriate clothing is jeans, sweatshirts and T-shirts, long pants, dresses, walking-type shorts or ones that extend below the fingers when arms are at the sides of the body, blouses, sweaters, dress shirts and pants.
- Students may not wear clothing or accessories having logos with inappropriate language, messages that promote anger and violence or clothing with demeaning/offensive messages. Shirts showing alcohol, sexually suggestive, profanity or implies profanity, tobacco, or illegal drug messages will not be worn at school.
- Sagging and long-crotch clothing is not acceptable. Students will not be allowed to wear clothing that is hanging low on the hips and showing underwear. This clothing is generally accepted as being associated with gangs and intimidating behavior.
- Short shorts, crop tops, halter tops, swimsuits and see-through tops are not acceptable.
- All clothing must meet and cover the abdomen and back.
- Tank tops must have straps at least one inch in width. Off the shoulder shirts are not appropriate in a school environment. All clothing must cover undergarments when the child is standing, bending and sitting.
- Students need to wear good shoes when at school to support safe physical activity when running in P.E. and at recess. (During pajama spirit day, slippers are only allowed if they have a solid shoe bottom. These can only be worn as a part of an intentional costume.)
- Students may wear hats on the playground, but not during in-school activities. Individuals who do not cooperate regarding hats will not be allowed to wear hats to school. We would never keep a child from wearing a hat in cold

weather. Hats often become distracting and stop students from paying attention to the teacher. (During spirit days, students are allowed to have hats as part of an obvious, intentional costume.)

- Sunglasses can be worn outside the building if needed to protect eyes.
- Please do not allow students to wear or bring makeup, including lipstick, to school.

Exceptions to the dress policy are allowed if they are part of a permitted costume and they do not disrupt the individual's learning or the learning of others. Guidelines during spirit days will be provided for students.

LOST AND FOUND

Items that are found are placed in our lost and found. Three times during the school year (winter, spring and summer breaks), the clothing that is not claimed will be given to charitable organizations. Have your child frequently stop by and check to see if there are any articles that belong to your family.

PLEASE PUT YOUR STUDENT'S NAME ON THE TAG OF THEIR COATS, HAT, GLOVES, & LUNCH BOXES, ETC. SO WE CAN RETURN THEM TO THE CLASSROOM.

PHONE USAGE

Students are allowed to use school telephones for school business or in case of an emergency.

SCHOOL SUPPLIES

Copies of the requested grade level supply list can be picked up in the school office or accessed on the web site. Any student who needs support in acquiring the necessary supplies throughout the year should contact our counselor, or the front office. We have provisions to help students in need of school materials and backpacks.

STUDENT POSSESSIONS—CELL PHONES, TOYS, IPODS, CAMERAS, ETC.

Toys, radios, CD players, cassette recorders, iPods, MP3 players, cameras, gaming devices and other electronic toys, etc. are a distraction to the learning environment. These items should not be brought to school unless they are for a teacher/parent authorized show and tell event. They must be kept out of sight in the classroom and will not be allowed on the playground.

The school provides sports equipment for recess. Therefore, students should not bring personal tennis balls, basketballs or other items to play with on the playground.

While the district school bus driver may allow some electronic items on the bus, they are prohibited at school. From the moment a student steps on school property, such items must be zipped away in a backpack and not accessed at school. Should students violate this policy, the electronic item will be taken away and returned at the end of the day as a warning. A second offense will cause the item to be kept in the office until it can be picked up by an adult. A third offense will signal a loss of this privilege for the rest of the year.

The school cannot assume responsibility for lost or damaged personal items. We do collect toys and other items that may be harmful or disruptive to the learning environment. Parents may pick up these items from the teacher or principal.

Cellular phones are not to be used during school hours. **All cellular phones must be off and in students' backpacks.** Having them out in the open, whether turned off/on/vibrate, is not acceptable. See Appendix C for more information.

STUDENT SALES AT SCHOOL

Any type of selling by students (outside of school fundraisers) will not be allowed during the school day.

STUDENT'S TYPICAL EXIT PLAN ESTABLISHED EACH YEAR

In order to make sure we are accountable for the safety of every student, our school has parents/guardians establish their "typical exit plan." This is the plan that their student(s) will follow on most days. Any day in which the plan is altered, the school needs this information provided to the office in writing at the start of the day.

Individual office notes are provided daily to students who vary from the typical plan. Teachers will not allow students to change their exit plan without an office note that came from direct parent/guardian permission. If we don't have a note, phone call, or email, the child will be sent home on their typical exit plan.

YOUNG CHILD WITHOUT AN ADULT AT A BUS STOP

In the event that a kindergarten student is not met by an adult at their bus stop after school, the bus driver will reroute the student to Camas Extended Day at the Zellerbach Administration Complex, 841 NE 22nd Avenue, where the student will be supervised until the parent/guardian arrive. Similarly, an older student may be rerouted to Camas Extended Day Childcare if circumstances warrant it by the driver and contact cannot be made with parent/guardian. The phone number is 833-5540.

Student Services

COUNSELING

Our school counselor is here to support all the students and families. A parent can make an appointment with the school counselor through the office at any time. The counselor will help students with academic, personal, social, or behavioral issues. The main goal is to help students understand themselves, so they can make good decisions about life.

The counselor also delivers curriculum on friendship and anti-bullying behavior to all the classrooms in the fall. Services are delivered 1:1 as well as in groups for conflict resolution and other needed areas.

Conversations between the school counselor and students will remain confidential, within legal limits. For example, reports of abuse and/or neglect must be reported to the proper authorities. Parents are informed about safety issues that emerge during this process.

DELIVERIES

Deliveries to the school, such as mylar balloons or flowers can be a distraction to the learning climate. We discourage families from sending items like this to the school. Should a student receive a delivery that would be appropriate to take to the classroom, the student will be called at the next available scheduled break to come to the office to retrieve the item.

HEALTH ROOM

Students who become ill or injured should check into the health room in the office. The health room is staffed daily by a health assistant with a nurse who supervises and is on campus one day a week. It is important for the school to be able to contact parents/guardians or a trusted friend/relative in case a student becomes ill while at school. Students will not be allowed to leave school without the permission of one of these people. At the beginning of each year, families provide the school with accurate phone numbers for work, home and emergency contacts. If any of these numbers change, please notify the school office immediately.

SUPPORT SYSTEMS

It is our goal to help every child be successful in school, ensuring a bright future for all. For some students this can mean receiving more individual services in order to address significant issues that impact a student's academic success. Like all schools in America, there are students with disabilities, students with varied socioeconomic backgrounds, and students with different cultural and language experiences in every classroom. We believe such diversity is an asset to the students of Camas as they learn to be accepting and respectful of all people. We encourage families to communicate with the school about the needs of your student.

Information about Special Education Services, 504 Plans, ELL Programs, LAP Reading, sensory accommodations and other intervention supports can be found on the school web site.

WITHDRAWAL

Parents wishing to withdraw their child from school on a permanent basis must contact the school office. Records will be forwarded upon receipt of a signed request by the parent. Any student not in attendance for 20 consecutive days will be automatically withdrawn from the school district per state policy.

Health and Safety

BIRTHDAY CELEBRATIONS

In order to support healthy habits at school per school district policy, students shall not bring cupcakes, cookies, or other sugary foods to celebrate student birthdays in the classroom. Parents are encouraged to find non-food celebration items if they wish to acknowledge a student's birthday within the classroom setting. Suggestions include pencils, small erasers, or donating a book to the classroom in the student's name. See Board Policy 6700.

EMERGENCIES

The school participates in monthly, school-wide safety drill rehearsals. All staff are provided with training for handling various school emergency situations with student safety as a top priority. Systems are in place to account for the location of each and every student during an emergency.

Should an actual emergency occur, parents need to be aware that the school phone system could be overburdened with calls. We will utilize the district emergency phone calling system, emails, and our voicemail to provide timely information to parents.

Parents who come on campus to try and retrieve their student during a school emergency situation need to be aware that a parent staging area will be set up where families will be required to report. Students will be released to parents/guardians in a timely and orderly fashion once the immediate threat is passed. Parents wishing more information about the school safety plans and procedures are welcome to call the school and talk with the principal.

- **Earthquakes:** In the event of an earthquake, students should respond in the drop, cover and hold method as prescribed during regular earthquake drills. Students en route to school or home should stay away from power lines and proceed to their destination.
- **Fire Alarms:** In the event of an alarm, students are to proceed out of doors following methods prescribed during regular fire drills. A student who pulls the fire alarm for mischievous or false purposes will be suspended from school and local authorities will be notified. For detailed information regarding discipline, please refer to Appendix C for definitions and consequences and Appendix D for due process.
- **School Lockdown Drills:** The school will practice drills that lock down the school at various times throughout the school year. Lockdowns are identified as being two types. A full lockdown is the most serious where all students are brought into secured areas, lights are turned off, students are expected to be quiet, and staff keep students under desks and away from windows. A partial lockdown is a cautious procedure where movement inside the building is allowed, but outside doors are locked and students are not allowed outside.

EMERGENCY INFORMATION

In the event of a school closure due to emergency, your student will be sent home according to the information you are asked to provide at the beginning of each year. Children should also be given clear instructions by parents about where they will go in case of unexpected school closure. During poor weather conditions, parents will receive an automated message phone call from the district office with information about any closures. Please also listen to the local radio and TV stations for late-start and closure information. Emergency closure information is also posted on the district web site at www.camás.wednet.edu.

GUM

Students are not allowed to be in possession of gum on campus.

UNSAFE ITEMS BROUGHT TO SCHOOL

Some items that may be appropriate for home, camping, etc. are not acceptable at school. Any kind of knife, matches, and many types of tools are unsafe to bring to school. Replicas of guns, knives, swords etc. are not permitted and could cause other students to be concerned and thus detract from learning. Squirt guns or plastic gun replicas are not allowed at school. Bringing weapons or using replicas for intimidation are never permitted and district policy regarding consequences is spelled out in Appendix C.

PLAYGROUND SUPERVISORS

The playground supervisors #1 goal is to keep kids **SAFE** while playing. They usually do not referee games. The students in line are the judges. When something is unsafe or a problem occurs, playground supervisors are there to help. They have passes to the library, health room, office and bathroom. Playground supervisors are the authority at recess. They are responsible for safety and therefore will encourage positive behavior and give consequences for unsafe behavior. Consequences may include: warning, restriction from activity, time out against wall, referral to the office and/other logical consequences that reinforce safe/respectful behavior.

LIBRARY AND MEDIA CENTER

The Library/Media Center exists to help students and teachers carry out the school curriculum, to assist in research, and to promote an enjoyment of reading. The library is often open before school and during recesses.

Students should:

- Understand they are financially responsible for items they check out.
- Understand if an item checked out is not returned or renewed after two weeks, it will be overdue. An overdue notice will be sent to the student's classroom and additional items cannot be checked out until the overdue ones are returned or renewed. Students with overdue books at the end of the year will have book fines placed on their Skyward file. This will follow them year to year until it is resolved.
- Act in a responsible manner when in the library by being respectful to others with a quiet voice.
- Not hesitate to ask the staff for assistance if they need help.

NUTRITION GUIDELINES

School Board Policy 6700 stipulates guidelines and advocacy for improved nutrition and fitness practices across our district. The Camas School Board believes that the school environment should be conducive to and promote learning, nutrition being a key element. Students who have nutritious food and appropriate physical activity are better prepared to learn.

Frequently Asked Questions

1. **Where is the Camas School District Nutrition and Fitness Policy found?**

Answer: The policy can be found on the Camas School District website: www.camas.wednet.edu.

2. **How does the policy address the use of food as a reward?**

Answer: In the past, teachers, administrators or other staff members have used food (like candy or sweets) as a reward for good academic performance or desired behavior. Implicit in these practices was an expectation of some sort of reciprocity: receiving a food reward for displaying certain behaviors. While these practices may often have been prevalent, the intent of the policy now is to avoid encouraging children to eat treats even when they are not hungry or creating habits of always rewarding or comforting with food.

3. **How does the policy address the use of food in classroom parties, events or celebrations?**

Answer: Food provided to students other than through the school lunch/breakfast program or through competitive food sales also includes foods provided for school sponsored parties, celebrations and events. These foods should comply with the policy language for food sales, except that occasional school-wide or class events can be exempt from the specific guidelines found in Policy 6700, Appendix A. However, providing healthful options is strongly encouraged! No more than five such exceptions shall take place in a given school year for a grade level at the elementary level. No more than three such exceptions shall take place in a department at the secondary level. Principals and grade level teams will work together to determine what (if any) exceptions they feel are appropriate for their grade level, department or school. While parents are not allowed to bring/send birthday treats to school, they are encouraged to check with teachers to determine what non-food birthday celebration is allowed.

4. **What about the use of food during lessons when a clear curriculum objective is tied to some food consumption or preparation?**

Answer: The district recognizes that food can often exist as a legitimate part of instructional units or lessons. Here are just a few examples where food might play a role in classroom lessons. There are many more.

- Studying cultural customs or celebrations from various countries or ethnic groups and sampling food related to these customs as part of the curriculum.
- The incorporation of food, recipes or food preparation into a curriculum unit where it is appropriate. (Example: The kindergarten FARM unit; using food portions and measurement in a math unit; preparation of a Thanksgiving feast, etc.)
- Creating or dividing structures that involve food stuffs (Examples: building toothpick and gumdrop geometric structures; teaching fractions using sections or portions of some food items; occasionally building/creating/decorating gingerbread houses or other seasonal food items)
- Sorting food (fruits, vegetables etc.) by shape and color and sampling some of the items.

HEALTH AND SAFETY

ACCIDENTS:

In the unfortunate circumstance that a child is seriously injured at school, parents/guardians are notified immediately. This is why keeping the school informed as to changes in emergency contact information is imperative. If a child needs medical attention and a parent/guardian or other emergency contact cannot be reached, school personnel will contact emergency medical services to transport the child by ambulance to the preferred hospital listed on the **Student Health Inventory** form. Minor injuries are usually followed up with a written note, sent home with the student, from the health assistant or building registered nurse.

ASTHMA/ANAPHYLAXIS: (CSD 3419/3419P and 3420/3420P)

Students shall be authorized to self-administer asthma/anaphylaxis medication if the parent/legal guardian and licensed health provider complete the **Authorization for Administration of Medication** form, and the health provider and building R.N. observe the skill necessary to use the medication/device properly. The student's authorization may be limited/revoked by the district if the student demonstrates an inability to responsibly possess/self-administer such medication.

BALLOONS - STUDENTS WITH LIFE THREATENING ALLERGIES:

Camas School District is aware that anaphylactic reactions, most often caused by exposure to substances to which a student is allergic, can be life threatening. The sources of these allergens are typically foods, medications, stinging insects and latex. The risk of accidental exposure to these allergens can be reduced in the school setting when school staff, students, parents/legal guardians, and the licensed health professional work cooperatively to minimize risks and provide a safe environment. Please access **The Guidelines for the Management of Students with Life Threatening Allergies** at www.camas.wednet.edu under Parent Corner, Student Health Services. All staff and community partners will support the following guidelines:

- Utilizing only non-latex gloves
- Using non-latex face masks or respirators for personal protective equipment
- **NOT ALLOWING** the presence of latex balloons on school grounds and in school busses. (Mylar balloons are a safe substitute).
- Discouraging staff and students to wear perfume or other scented personal products.
- Discouraging serving peanut butter products at elementary grade levels.

HEAD LICE: (CSD policy/procedure 3414)

According to the American Academy of Pediatrics, no-nit policies in schools are detrimental, causing lost time in the classroom, inappropriate allocation of the health services team's time for lice screening, and a response to infestations that is out of proportion to the medical significance. Transmission of lice occurs most often among family members due to the close proximity of living conditions. Misdiagnosis of head lice infestation occurs frequently and causes inappropriate exclusion from and unnecessary treatment with pediculicides. **Camas School District supports NOT having a no-nit policy, and head lice guidelines reflect the best evidence-based management and treatment options.** Educating families and community persons regarding scientific facts about head lice is important. This may then lead to allowing students with head lice and/or nits to remain in school. Please review **Camas School District Parent Guidelines for Students with Head Lice Utilizing Evidence-Based, Best Practice Management** at: www.camas.wednet.edu under Schools and Resources.

HEALTH ROOM:

There is a health room in each building staffed primarily by health assistants to be used for emergencies/urgent situations. We do recognize that students may become ill while at school; in that case, you would be notified to pick up your student.

IMMUNIZATIONS: (CSD policy/procedure 3413)

Immediately upon enrollment in the district a certificate of immunization status, distributed by the Washington Department of Health, shall be completed by the student's parent. The student's immunization status will be documented as: **complete, conditional or exempt**. A student who is 'out of compliance' regarding his/her immunization record may not register for school.

The 2011 Washington State Legislature passed a law that changes the process for getting an immunization exemption. The law says that if a parent/guardian wants to exempt their child from school or child care immunization requirements, they must first talk with a licensed health care provider about the benefits and risks of vaccinations. The provider will sign the **Certificate of Exemption** form that parents have to turn into the school or child care to exempt their child. Instead of signing the form, providers may choose to write and sign a letter verifying the same information.

Parents or guardians who demonstrate membership in a church or religious body **that does not believe in medical treatment** do not have to have a health care provider sign the exemption form.

See Washington State Department of Health "Vaccines Required for School/Child Care and 2011 Immunization Exemption Law" for additional information. <http://www.doh.wa.gov/cfh/immunize/schools/default.htm>

INFECTIOUS DISEASES – **STUDENT HEALTH INVENTORY**: (CSD policy/procedure 3414)

"In order to safeguard the school community from the spread of certain communicable diseases...the district shall require that the parents/guardian shall complete the **Student Health Inventory** form at the beginning of each

school year". By completing this form on a yearly basis, families are assisting school health services in identifying students with possible life threatening health conditions and/or needing medication during the school day. Registered nurses then create emergency care plans, train and share plans with identified staff to help keep students safe during the school day.

KEEPING ILL CHILDREN HOME:

Please refer to the School Health Services website: www.camas.wednet.edu under Schools and Resources, to review *Guidelines for Keeping Ill Children Home from School*. Please remember that during school, children are in close contact with each other. If children are kept home when the first signs of illness appear, it helps prevent the spread of that illness to other children.

LIFE-THREATENING HEALTH CONDITION: (CSD policy 3413)

Washington State law (RCW 28A.210.320) directs school districts to require the presentation of a medication or treatment order for a child’s life-threatening health condition that may require medical services to be performed at school. The medication or treatment order must be presented prior to the student’s attendance or continued attendance if already in school. If a medication or treatment order is not provided, the superintendent/principal of the school is REQUIRED to exclude the child until such order has been provided. Please contact the building registered nurse if your child has a life-threatening condition.

OVER THE COUNTER OR PRESCRIBED MEDICATION AT SCHOOL: (CSD policy 3416/3416P)

If your child requires daily/occasional medication, it is preferred that you arrange for administration times outside of regular school hours. However, if this is not possible, in order for your child to receive medication at school the *Authorization for Medication/Treatment at School* form must be completed by the licensed health provider and the parent/legal guardian prior to the administration of any medication (prescribed or over-the-counter) or treatment at school. All medications must be brought to the school by the parent/guardian in the original pharmacy labeled bottle. **Do not send the medication with your child.** Please refer to the Health and Wellness web page at www.camas.wednet.edu under Schools and Resources.

CHROMEBOOK RESPONSIBLE USE POLICY

The Chromebook is one of many resources provided by the Camas School District that provides opportunities for learning and growth. With the privilege of access, comes the responsibility of access. To make this transition successful, we ask that parents and students read through the policies and begin a discussion about best practices for individual homes.

The device you are being issued is the property of the Camas School District and is made available to you as a tool for learning. As with other school equipment, the device must be used in a manner aligned with building and district policies ([Policy 2022](#) and [Procedure 2022P](#)).

Expectations:

1. Be Prepared. Bring the device to school each day with a full battery charge.
2. Be a mindful digital citizen. Files, including communication and collaboration, must be consistent with school policies and copyright laws. Don't share your passwords with others, and refrain from logging in as another user. Communicate responsibly.
3. Take care of the device. Use the case provided. Keep the device away from foods, liquids and refrain from adding stickers. Do not leave your device unattended or close the device with items inside.
4. Keep the integrity of the device. Specific software and system configurations are intended for student safety. Do not alter district settings or software.
5. Return in good condition. Devices are to be returned to the district at the end of the three-year term, or upon withdrawal or transfer. The device must be in a working and reasonable condition and include original peripherals (ie. case and charger).

Inappropriate Use and Consequences:

Actions that are in conflict with school and/or district codes of conduct will result in a consequence deemed appropriate. Specific codes relating to technology include but are not limited to:

- Bullying behavior, such as harassment, discrimination or intimidation.
- Offensive behavior, including profanity, obscenities or otherwise offensive to a reasonable person.
- Malicious use, including misrepresenting others, modifying files from another, accessing an account of another.

District Systems:

- Filtering—Student-issued devices will be filtered and monitored both at home and school for topics as required by law; cameras and microphones are excluded from all monitoring.
- Antitheft- If the device is reported as lost/stolen, the location and screen will be monitored.
- Website—A Chromebook website will continue to be updated with best practices (such as how to clean devices) as well as parent tips (such as online safety) and students tips for usage (such as software tools). bit.ly/camaschrome

ANNUAL PUBLIC NOTIFICATION

Confidentiality - FERPA

Parents in the Camas School District have rights to confidentiality under the Family Education Rights and Privacy Act (FERPA). The parent or eligible student has a right to:

- Inspect and review the student's education records;
- Request amendment of the student's education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student's privacy or other rights;
- Consent to disclosures of personally identifiable information contained in the student's education records;
- File with the US Department of Education a complaint concerning alleged failures by the agency to comply with the requirements of the act;
- Obtain a copy of the policy, which is available by request at the Superintendent's Office located at 841 NE 22nd Avenue, Camas.

Releasing Information

Schools may release specific directory-type information - including names, address, and phone number - without prior parental consent if the school both provides notification that it reserves the right to release such information and defines what kind of information will be considered directory information. However, under FERPA, parents must be given the right to opt out of the directory information for release. Though schools may release directory information without obtaining the prior consent of parents, school officials use their discretion as to whether they release such information to third parties. The opt-out form is available online under Parent Corner > Forms.

Asbestos Plan

The district engages in a continuous asbestos surveillance program to assure that there are no asbestos problems or danger to students and employees. A copy of the Camas School District asbestos management plan is available for review at the district office.

Legislation Regarding Military Recruiters

Section 952B of the No Child Left Behind Act, also known as Armed Forces Recruiter Access to Students and Student Recruiting Information, requires schools to provide student contact information to military recruiters and other institutes of higher education. However, FERPA protects information about students from being released if parents opt out or require prior consent in writing. Please contact your student's school office for additional information.

Child Identification Procedures

The district conducts Childfind activities for the purpose of locating, evaluating, and identifying students with a suspected disability who are residing within district boundaries. Childfind activities apply to children who are not currently receiving special education and related services. Parents having concerns about their child's health, hearing, intellectual functioning, language, learning, movement, serious behavioral needs, speech, or vision can call the district's special services department at 360-833-5570.

Drug-Free Schools

Congress has adopted legislation requiring drug-free schools. A study by the National Commission on Drug-Free Schools indicated that drug and alcohol use among our nation's youth remains widespread. Appreciable numbers of students begin to use alcohol in the elementary grades and increasing numbers begin to use illicit drugs in middle school. Camas School District is committed to drug-free schools. The board has established a policy requiring that each student adhere to all the rules of conduct adopted by the district. Failure to do so shall be cause for corrective action enforced by school officials.

Use and/or possession of alcohol and illicit drugs is unlawful, wrong, and harmful. A student shall not knowingly possess, use, transmit, be under the influence of, or show evidence of having used any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage or intoxicant of any kind while:

- On the school grounds during and before and immediately after school hours;
- On school grounds at any other time when the school is being used by a school group(s);
- Off the school grounds at a school activity, function, or event.

Disciplinary sanctions up to and including expulsion and referral for prosecution will be imposed on students who violate the standards of conduct. Examples of sanctions may include notification of parent/guardian, notification of authorities, referral for substance abuse evaluation, curtailment of participation in district sports, suspension, expulsion, and/or completion of a drug/alcohol rehabilitation or treatment program not at district expense. (Use of a drug authorized by a medical prescription from a registered physician shall not be considered a violation of this rule.)

Information about the drug/alcohol counseling and rehabilitation program may be obtained from the building administrator or student service counselors. Compliance with the above standards of conduct is mandatory for all students and will be enforced without exception.

Every effort is made to ensure that all employment decisions are administered in accordance with the principles of equal opportunity. The Camas School District #117 does not discriminate in any programs or activities on the basis of sex, race, creed, religion, color, national origin, age, veteran or military status, sexual orientation, gender expression or identity, disability, or the use of a trained dog guide or service animal and provides equal access to the Boy Scouts and other designated youth groups. The following employees have been designated to handle questions and complaints of alleged discrimination: Marilyn Boerke, Title IX and Compliance Coordinator, marilyn.boerke@camas.wednet.edu; and Dana Lighty, dana.lighty@camas.wednet.edu. Both may be contacted at 360-335-3000 or 841 NE 22nd Avenue, Camas, WA 98607.

Sexual Harassment

Sexual Harassment is a type of harassment that occurs when the types of verbal and physical conduct described above are sexual or gender-based in nature or based on sexual orientation and/or gender expression or identity. Conduct is gender-based when it would not occur but for the sex of the person to whom it is directed. Sexual harassment is defined as verbal, visual, or physical advances made within the work and school setting and unwelcome by the person.

Harassing conduct includes repeated offensive sexual flirtations, advances or propositions, continued or repeated verbal abuse of a sexual nature, graphic or degrading verbal comments about an individual or about his/her appearance, the display of sexually suggestive objects or pictures, or any offensive or abusive physical contact. Harassment, including sexual harassment, does not refer to casual conversations or compliments of a socially acceptable nature. It refers to behavior related to the above definitions which is not welcome, is personally offensive, and which interferes with efficacy or creates uneasiness.

Harassment

Harassment can take many forms and can include bullying, slurs, comments, rumors, put-downs, jokes, innuendoes, unwelcome compliments, cartoons, pranks, and/or other electronic, verbal or physical conduct relating to an individual which (1) have the purpose or effect of creating an intimidating, hostile, or offensive working or learning environment; (2) have the purpose or effect of unreasonably interfering with an individual's work performance or education; or (3) otherwise unreasonably affects an individual's employment or education opportunities.

Staff Intervention

All staff members shall intervene when witnessing or receiving reports of harassment, intimidation, or bullying. For minor incidents that staff are able to resolve immediately or incidents that do not meet the definition of harassment, intimidation, or bullying, no further action under this procedure may be necessary.

Incident Reporting and Investigative Process

Any student who believes that he or she has been the target of unresolved, severe, or persistent harassment, intimidation, or bullying, or any other person in the school community who observes or receives notice that a student has or may have been a target of unresolved, severe, or persistent harassment, intimidation, or bullying, may report incidents verbally or in writing to any staff member. All staff are responsible for receiving oral and written reports. Written reports are submitted to district staff using the Camas School District *Alleged HIB Incident Report Form* which is located on the district's website or can be obtained from the school administration. This form may be completed and submitted anonymously.

Whenever possible, staff who initially receive an oral or written report of harassment, intimidation, or bullying shall attempt to resolve the incident immediately. If the incident has been resolved to the satisfaction of the parties involved, or if the incident does not meet the definition of harassment, intimidation, or bullying, no further action may be necessary. All reports of unresolved, severe, or persistent harassment, intimidation, or bullying will be recorded on district's *Alleged HIB Incident Report Form* and submitted to the principal or designee, unless the designee is the subject of the complaint. The steps in filing an *Alleged HIB Incident Report Form* and its investigation and corrective measures are set forth in District Policy. A summary of the policy and procedure is posted and disseminated in each school, on the district's web-site, and reviewed with employees and students on an annual basis. For questions or more information on the Camas School District HIB policy and procedure, please contact the HIB Compliance Officer, Jeffrey Niess, at (360) 335-3000 ext 78310 or at jeffrey.niess@camas.wednet.edu.

False Report

To knowingly report false allegations of harassment is a violation of this policy. Persons found to knowingly report false allegations will be subject to appropriate discipline.

Title I/LAP Schools

Teacher Qualifications: As a parent of a student in Title I Schools and Learning Assistance Program schools, you

have the right to know the professional qualifications of the classroom teachers who instruct your student. Federal law allows you to receive certain information in a timely manner if you ask for it. Specifically, you have the right to ask for the following about each of your student's classroom teachers:

- Whether OSPI has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether OSPI has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject of the degrees.
- Whether any teachers' aides or similar paraprofessionals provide services to your student and, if they do, their qualifications. If you would like to receive any of this information, please call the personnel specialist at 360-335-3000.

Title I/LAP Parent Involvement Policy – Elementary Schools

As part of Title I/LAP requirements each elementary school has on file a Parent Involvement Policy that explains various ways that parents can be involved and support the efforts of the school. This policy may be obtained by inquiring at each school office or by asking the Title I/LAP teacher.

Pesticides

Best practices are used in our school district in the utilization of pesticides within our buildings and on our grounds. It is our intent to take steps that promote a healthy environment for our students, staff, and community. We use minimal applications directed at very specific problems. Our staff members use alternatives when possible. Applications are completed in a manner in which the chance of direct or indirect exposure is minimal. All pesticides are applied under the direction of trained, licensed staff members or contractors. If you would like to be directly contacted prior to an application in or around the building where your student(s) attend, please contact your school office and complete a contact form. More information about our pesticide practices can be found through our Board Policies on the school district web site.

Child Abuse Prevention

School districts must work with state agencies, including the Office of the Superintendent of Public Instruction to establish a coordinated primary prevention program for child abuse and neglect. All parents shall be given notice of the primary prevention program and may refuse to have their children participate in the program.

Appendix B

CAMAS SCHOOL DISTRICT BUS RULES

The purpose of district transportation is to safely transport students to and from school and/or district sponsored events. Any misconduct by a student, which is detrimental to the safe operation of the bus, will be sufficient cause for the building administrator to suspend the transportation privilege.

Students should be at their designated stop five minutes before the scheduled bus stop time. In the afternoon, students are to exit at their regularly assigned bus stop and go directly home.

1. Students will follow driver and adult directions. The driver is in command of the bus and students. When transporting classes or teams, the teacher or coach is primarily responsible for the students.
2. Students will observe rules of classroom conduct while riding on buses, i.e., quiet talking, hands, feet and objects to self, no teasing or rude/obscene gestures. Students must see that their possessions are kept out of the aisle.
3. Students will sit their bottoms on the seat, face forward and have their back touch the rear of the seat. Students will keep all body parts inside the bus windows at all times.
4. Eating or drinking is not allowed on the bus. This includes gum, candy, food and beverages. Special circumstances may be authorized and supervised by an accompanying teacher or coach. Students are to assist in keeping the bus clean. All trash will be placed in the wastebasket.
5. Each student may be assigned a seat in which they will be seated at all times unless permission to change is given by the school principal and/or driver. If a lap belt is in place, it must be used.
6. Students will leave the windows closed unless given permission by the driver to open them
7. Students will only ride their assigned bus and stop unless authorized permission is given. A bus pass from the student's school is required to be a guest on the non-designated route.
8. Students will get on and off the bus in an orderly manner. Students are expected to stand away from the roadway when the bus is approaching or leaving. Once the bus has come to a complete stop and the driver has given a cue, students may board the bus in single file. Students are to find a seat as quickly as possible. Students who must walk for some distance along the roadway where there are no sidewalks will walk on the left-hand side of the roadway facing oncoming traffic. Students may only cross in FRONT of the bus at the driver's direction. When students are off the bus, they will adhere to rules for pedestrians.
9. Skateboards, scooters, and roller skates will NOT be transported on the bus.
10. Headphones must be used with all electronic equipment such as music devices, gaming devices, etc. The bus driver has the right to take away the equipment and turn it over to the school administrator if the equipment creates a disruption on the bus. If the student chooses to bring electronic equipment on the bus, the driver, school, or district are not responsible for broken or missing equipment. The electronic equipment is not to be visible at school during the school day. Cell phone use is not allowed.
11. Students will refrain from carrying or possessing any

items that may cause injury to passengers on the bus. Such items include, but are not limited to, sticks, breakable or glass containers, weapons or firearms, straps, cords, or pins protruding from clothing or bags, large, bulky items that cannot be held or placed between the legs, etc. Matches, lighters, cigarettes, tobacco, or illegal substances of any kind will not be allowed.

12. Animals, with the exception of service animals (Policy 2030/Procedure 2030), are not allowed on the bus.

13. Emergency doors and equipment must be left alone by the students.

14. Parents of students identified, as causing damage to buses will be charged with the cost of repairing or replacing the incurred damage. Students causing the damage may be suspended from bus transportation. Students may be asked to clean the bus after school.

15. Student misconduct will constitute sufficient reason for suspending transportation privileges.

WAC 392-141-010 (1) School Districts--General Authority to Provide Transportation-A school is not required to provide transportation for school students but may do so.

WAC 392-145-015 (6) Transportation of Unsafe Articles-Requires that teachers or other school district personnel refrain from requesting students to transport on a school bus any form of animal life (except seeing eye dogs), firearms, weapons, breakable containers, flammable and other articles which could adversely affect the safety of the bus or passengers.

WAC 392-145-020 (7) Rules for School Bus Drivers-A student may be permitted to leave the bus at other than his or her regular stop provided that permission is first obtained pursuant to district policy.

Appendix C

PROHIBITED STUDENT CONDUCT & EXCEPTIONAL MISCONDUCT DEFINITIONS

Any conduct which interferes with teaching and learning is not allowed. The following acts are specifically not allowed on school property, on school transportation such as buses, or at school-sponsored events such as field trips. There will be consequences for doing these things. This list is not inclusive. Behaviors marked with a dot (*) have been determined to be a serious disruption. Students may be suspended from school for doing these things even if it is the first time that they are involved. Behaviors marked with two dots (***) will result in contacting the police as well.

Guidelines for Cellular Phone Use

Cellular phone use will align with Policy 3245: Students and Telecommunication Devices.

Definitions of Student Misconduct

**Alcohol or Other Drug Possession or Use: A student shall not possess, use, be under the influence of any narcotic drug(s), anabolic steroids, hallucinogenic drug(s), amphetamine, barbiturates, marijuana, or any other substance purported to be one of the above described substances. The use of medication, prescribed for the individual student and used in accordance with the specific directions of the student's licensed medical practitioner, shall not be considered a violation of this policy.

**Alcohol or Other Drug Sale or Delivery: Students shall not distribute and/or sell alcoholic beverages, unlawful drugs, legend drugs, controlled substances, hallucinogens, caffeine pills, diet pills, sleeping pills, or any substance, legal or illegal, used to induce mood or behavior changes (i.e. glue sniffing), or other drugs, medications (or items that purport to be any of the preceding), during school time, on school premises, or during school-sponsored activities.

**Arson: Setting fire to a building or property.

**Assault or Threat of Assault: The excessive use of physical force or threatening the use of physical force against another person, including the use of a weapon or other instrument for the purpose of inflicting injury.

*Attendance: Failing to comply with building, district, and state guidelines setting forth class and school attendance.

As part of the 1995 "Becca Bill" (C 312 I 95), the Legislature enacted provisions that require schools to file a petition in juvenile court when a student accumulates at least five unexcused absences in a month, or ten unexcused absences in a year. If the allegations in the truancy petition are established by a preponderance of the evidence, the court must assume jurisdiction to intervene for the remainder of the school year. The court may order the student to attend school, or be referred to a community truancy board. If the student fails to comply with the court's order, the court can impose a variety of sanctions, including detention, fines, or community service. Attendance Philosophy: School attendance is the responsibility of the student and his/her parents. It is the responsibility of the school to provide the instruction and to inform parents of absences. Additionally, state law not only requires students to be in school, it also requires the school to take action with students and parents when students do not attend. The action may begin with a simple contact made by either the school or the parent to verify mutual knowledge of an absence. In the case of a student with identified attendance problems, further action may be required. Typical actions which may be taken include the following: further contact between school official and parents; conferences with teachers and counselors; attendance contracts; disciplinary action; and filing for truancy with Juvenile Court.

Attendance Truancy Reporting: When a student has seven or more unexcused absences within any month during the current school year or ten or more unexcused absences in the current school year, the school will file a truancy petition with Juvenile Court. The court may then schedule a hearing with the student and his/her parents/guardians. (RCW 28A.225.030; ESSB 5439) Following are typical examples of excused and unexcused absences:

Excused

Illness
Health condition (dr., dental appt.)
Religious observation
Family emergency (funeral, serious injury to immediate family member)
Emergency situations authorized by school officials

Unexcused

Overslept/parent overslept
Alarm did not ring
Babysitting, shopping
Haircut
Needed at home
Missed the bus/car trouble
Trip to the beach

Approved conferences (school, police, DSHS)

Personal reasons (unless cleared by school)
No reason given for absence

**Bomb Threat: Threats to bomb or damage to any public school building, facility, or property.

*Closed Campus Violation: Leaving the school grounds during the school day prior to dismissal without permission by school personnel.

*Damage or Destruction of Property: Intentional or careless damage to school property or private property.

*Defiance: Open disregard or contempt for school authority.

*Disobedience: Refusal to obey the instructions of all district personnel.

Any such activity or expression by students is prohibited while they are subject to the disciplinary control of the school district. Therefore, no student on or about the school property, or in any place involving a school-related activity:

- Shall wear, possess, distribute, or display any clothing, jewelry, sign, or any other thing which by virtue of its color, arrangement, symbol, or any other attribute, is evidence of membership or affiliation in any such gang;
- Shall commit any act or omission, use any speech or gesture, any personal "grooming" style, or conduct evidencing membership or affiliation in such a gang;

*Racial Harassment or Discrimination: Harassment or discrimination of an individual(s) on the basis of age, disability, national origin, race, marital status, religion, sex, or socioeconomic status by words, in writing, by gestures or actions.

*Robbery: The taking of the property of another by violence or intimidation.

*Sexual Harassment: Sexual Harassment does not refer to casual conversations or compliments of a socially acceptable nature. It refers to behavior which is unwelcome, offensive, interfering with effectiveness or creating uneasiness in the educational and work environment.

****Weapons:** The possession, use, transmission, or transporting of any object that could reasonably be considered a firearm or a dangerous weapon; and the possession of any exploding item or device that would be capable of producing bodily harm, damage to property, or disruption of the educational process.

Possession of firearms on school property will result in a one-year mandatory expulsion, subject to appeal, with notification to parents and law enforcement. **DEFINITION OF CONSEQUENCES**

Discipline means all forms of corrective action other than suspension or expulsion and includes the exclusion of a student from a class by a teacher or administrator for a period of time not exceeding the balance of the immediate class period. Discipline also includes the exclusion of a student from any other type of activity conducted by or on behalf of the school district, including district transportation.

Detention means being held in school for additional time before, after, or during school hours.

Loss of recess includes any or all of the recesses during school hours.

Time Out Room means spending part or all of the school day in the time out room.

Exceptional misconduct means behavior judged to be so serious in nature and/or so serious in terms of the disruptive effect on the operation of the school that students may be subject to a suspension for a first-time offense. Expulsion means a denial of attendance at any single subject or class or any full schedule of subjects or classes for an indefinite period of time. An expulsion also may include a denial of admission to or entry upon real and personal property that is owned, leased, rented, or controlled by the school district. It also means the expelled student could be denied the opportunity to participate in particular school-related activities.

Emergency expulsion means the immediate denial of school attendance due to an immediate and continuing danger to the student, other students, or school personnel or an immediate and continuing threat of substantial disruption of the educational process.

Emergency removal means the immediate removal of a student from a class, subject or activity by a teacher or administrator when the student's presence poses an immediate and continuing danger to the student, other students, or school personnel or an immediate and continuing threat of substantial disruption of the class, subject, activity, or educational process of the student's school.

Suspension means denial of attendance, other than for the balance of the immediate class period for "discipline" purposes, in any single subject or class or at any full schedule of subjects or classes for a stated period of time. A suspension also may include a denial of admission to or entry upon real and personal property that is owned, leased, rented, or controlled by the school district. It also means the suspended student will not be able to participate in school-related activities while suspended.

Short-term suspension means suspension for any portion of a calendar day up to and not exceeding 10 consecutive school days.

Long-term suspension means a suspension which exceeds a "short-term suspension."

CLASSROOM MANAGEMENT, DISCIPLINE AND CORRECTIVE ACTIONS

The following represents the most, but not all, of the District's Procedure 3241 for discipline. The full text is online at www.cammas.wednet.edu.

Unexcused Absences and Tardiness

Students with one or more unexcused absences and/or tardiness and subject to compulsory attendance pursuant to Chapter 28A.225 RCW may be subject to corrective action that is reasonably calculated to modify the student's conduct. However, if a district imposes corrective action on a student for one or more unexcused absences, it must:

- Provide notice to the student's parent/guardian in writing in English or the primary language of the parent/guardian, that the student has failed to attend school without valid justification, and by any other means necessary to provide notice of these facts;
- Schedule a conference or conferences with the parents/guardians and the student to analyze the causes of the student's absences and determine whether the student would be appropriately placed in a special program designed for his/her educational success; and
- Take steps to reduce the student's absences, which include, where appropriate in the judgment of district staff, adjustments to the student's school program or school or courses or assisting the parent/guardian in obtaining supplementary services.

Additionally, a student's academic grade or credit may only be adversely affected by reason of tardiness or absences if:

- The student's attendance or participation is related to the instructional objectives or goals of the particular subject or course;
- The student's attendance or participation has been identified by the teacher pursuant to district policy as a basis for grading the subject or course; and

The circumstances pertaining to the student's inability to attend school have been taken into consideration, including whether the absences are directly related to the student's disability under Section 504 of the Rehabilitation Act of 1964, Title II of the Americans with Disabilities Act (ADA) or the Individuals with Disabilities Education Act (IDEA).

Student Discipline

Detention

For minor infractions of school rules or regulations, or for minor misconduct, staff may detain students before or after school hours for not more than 60 minutes on any given day.

Preceding the assignment of detention, the staff member will inform the student of the nature of the offense charged and of the specific conduct which allegedly constitutes the violation. The student will be afforded an opportunity to explain or justify his/her actions to the staff member.

Detention will not begin until the parent/guardian has been notified (except in the case of an adult student) for the purpose of informing him/her of the basis and reason for the detention and to permit him/her to make arrangements for the necessary transportation of the student when he/she has been detained after school hours for corrective action.

Students detained for corrective action will be under the direct supervision of the staff member or another member of the professional staff.

Grievance and Appeal Process for Student Discipline

Any parent/guardian or student who is aggrieved by the imposition of discipline will have the right to an informal conference with the principal for the purpose of resolving the grievance. The employee whose action is being grieved will be notified of the grievance as soon as reasonably possible.

At such conference the student and parent/guardian will be subject to questioning by the principal and will be entitled to question staff involved in the matter being grieved.

After exhausting this remedy, the parent/guardian and student will have the right, upon two (2) school business days' prior notice, to present a written and/or oral grievance to the superintendent or designee.

If the grievance is not resolved, the parent/guardian and student, upon two (2) school business days' prior notice, have the right to present a written or oral grievance to the board during its next regular meeting, or at a meeting held within 30 days, whichever is earlier. A closed meeting may be held for the purpose of considering the grievance. The board will notify the parent and student of its response to the grievance within ten (10) school business days after the date when the grievance was presented. The disciplinary action will continue notwithstanding implementation of the grievance procedure unless the principal, superintendent or board elects to postpone such action.

Alternatively, the board may delegate its authority to hear and decide discipline and short-term suspension grievance appeals to a school district disciplinary appeal council established pursuant to WAC 392-400-310(1).

Emergency Removal

A student may be removed immediately from a class or subject by a teacher or administrator without other forms of corrective action and sent to the principal or a designated school official, without first attempting corrective action, provided that the teacher or administrator has good and sufficient reason to believe that the student's presence poses an immediate and continuing danger to the student, other students or staff or an immediate and continuing threat of substantial disruption of the class, subject, or

educational process of the student's school. The removal will continue only until:

- The danger or threat ceases; OR
- The principal or designee acts to impose corrective action.

The principal or designee will meet with the student as soon as reasonably possible following the removal and take or initiate appropriate corrective action. The meeting will take place no later than the beginning of the school day following the student's emergency removal. The teacher or administrator who removed the student will be notified of the action taken or initiated.

Suspension: Short Term (1-10 days), Long Term (>10 days)

A. Conditions and Limitations

No student in fifth grade and above will be suspended for more than a total of fifteen (15) school days during any single semester or ten school days during any single trimester.

Any student who has been short-term suspended will be provided the opportunity upon return to make up assignments and tests missed during the suspension if the assignments or tests have a substantial effect upon the student's grades or failure to complete such assignments or tests would result in denial of credit.

The principal will notify special education staff of any short-term suspensions to be imposed for a student who is currently eligible for special education services or those who might be deemed eligible for special education. To the extent that short-term suspensions may cumulatively or consecutively exceed ten school (10) days, (see Procedure 2161P, Special Education and Related Services for Eligible Students, Discipline section) the principal will notify relevant special education staff so that the district can ensure that special education discipline procedures are in place, in addition to general education discipline procedures.

B. In-School Suspension

Students who are denied attendance at school are denied the opportunity to learn. The district has therefore created an in-school suspension program which temporarily removes the student from his/her regular learning environment but permits the student to maintain his/her educational progress. An in-school suspension is no different from any other suspension as defined by WAC 392-400-205, and therefore triggers the same substantive and procedural due process, including student and parent/guardian notification.

Students who are assigned to in-school suspension are granted this opportunity as a privilege and are expected to comply with the expectations of staff. The superintendent or designee will establish guidelines for the operation of the in-school suspension program.

Suggested guidelines for in-school suspension are as follows: A student who is afforded the opportunity to be assigned to the in-school suspension program as an option to suspension:

1. Will agree to the conditions specified by the school principal; and
2. The in-school suspension program is designed to encourage learning. Students will be expected to work on their classroom assignments at all times.
 - A student in in-school suspension will attend a single subject or class or any full schedule of subjects or classes in a separate location on school property from their regular subject or class or schedule and/or classmates.
 - The student will be denied the opportunity to participate in any school activities while in in-school suspension.
 - While in-school suspended, the student and staff may develop a behavior contract that defines the future expected behavior of the student. The student and his/her parents/guardians and a staff member will sign the contract.
3. Any act of inappropriate conduct may result in denial imposition of this alternative to other corrective actions.
4. A student will remain isolated from other students throughout the school day and may be denied the opportunity of participating in any school activities while in the in-school suspension program.
5. An assignment to the in-school suspension program will not exceed five days. As such, the appeal process for a short-term suspension shall be in effect.
6. After a student is placed back into the regular classroom(s), the principal, or designee or school counselor will monitor the student's progress on a daily basis. The student will be encouraged to maintain a relationship with the school counselor as a means of dealing with any problems that arise.
7. Specific rules and building procedures will be developed by the building principal.

Emergency Expulsion

A. Conditions and Limitations

A student may be immediately removed from school prior to a hearing without other forms of corrective action if the superintendent or designee has good and sufficient reason to believe that the student poses:

- An immediate and continuing danger to other students or school staff; OR
- An immediate and continuing threat of substantial disruption of the educational process.

Such emergency expulsion must end or be converted to another form of corrective action within ten (10) school days of the date of the expulsion. If the emergency expulsion is converted to another form of corrective action, the district will provide the student and/or parents/guardians with notice and due process rights appropriate to the new corrective action.

B. Readmission

Any student who has been expelled will be allowed to make application for readmission at any time in accordance with district policy and procedure. (See also Readmission Application Process, below)

C. Reporting

Principals will report all long-term suspensions and the reasons therefor to the superintendent or designee within twenty-four (24) hours after the imposing the expulsion.

D. Petition for Extension of One-Year Expulsion

The principal or designee may petition the superintendent for authorization to exceed the one year calendar limitation on an expulsion when warranted because of risk to public health and safety. The petition may be submitted any time after final imposition of the expulsion and prior to the end of the expulsion. See Procedure 3241 for full details.

E. Reengagement Meeting

A reengagement meeting should be convened within twenty (20) days of a long-term suspension or expulsion but no later than five (5) days before the student’s reentry or reenrollment to school. The purpose of the meeting is to discuss a reengagement plan with the parent/guardian and the student.

F. Reengagement Plan

The district must create a plan tailored to the student’s individual circumstances, including consideration of the incident that led to the student’s long-term suspension or expulsion. The plan should aid the student in taking the necessary steps to remedy the situation that led to the suspension or expulsion.

In developing the reengagement plan, the district may consider shortening the length of time that the student is suspended or expelled, other forms of corrective action and supportive interventions that aid in the student’s academic success and keep the student engaged and on track to graduate.

A reengagement meeting conducted by the district involving the student and his/her parents/guardians is not intended to replace a petition for readmission.

G. Readmission Application Process

Any student who has been suspended or expelled will be allowed to make application for readmission at any time. If a student desires to be readmitted to the school from which he/she has been suspended/ expelled, the student will submit a written application to the principal, who will recommend admission or non-admission. If a student wishes admission to another school, he/she will submit the written application to the superintendent. The application will include:

- Reasons the student wants to return and why the request should be considered;
- Evidence which supports the request; AND
- A supporting statement from the parent or others who may have assisted the student.

The superintendent will advise the student and parent/guardian of the decision within seven (7) school days of the receipt of such application.

Exceptional Misconduct

A student may be short-term suspended for exceptional misconduct, other than absenteeism, when such misconduct is of such frequent occurrence or is so serious in nature and/or is so serious in terms of disruption to the operation of the school that immediate suspension is warranted. In cases of exceptional misconduct, a short-term suspension may be imposed without first attempting alternative forms of corrective action. The superintendent, following consultation with a representative ad hoc citizens’ committee, will recommend for board adoption, the nature and extent of the corrective actions which may be imposed as a consequence of exceptional misconduct. (See Procedure 3240P). An exception may be granted by an administrator when warranted by extenuating circumstances.

The following guidelines are in effect for students to establish a range of corrective actions which may be imposed as a consequence of exceptional misconduct. The appeal process for short and long-term suspensions shall remain in effect for short and long range suspensions imposed as a result of this procedure.

Definitions

Suspension program definitions:

- A. **Discipline** means all forms of corrective action other than emergency removal, suspension or expulsion. Discipline includes the exclusion of a student from any type of activity conducted by or on behalf of the school district and exclusion of a student from a class by a teacher or administrator for a period of time that does not exceed the balance of the immediate class period, provided the student is in the custody of a school district employee for the balance of such period.
- B. **Emergency removal** means a student's immediate removal from a class, subject or activity by a certificated teacher or an administrator or a school bus driver and sending of that student to the building principal or designee, when the teacher or administrator has good and sufficient reason to believe that the student's presence poses an immediate and continuing danger to the student, other students or school staff or an immediate and continuing threat of substantial disruption of the class, subject, activity, or educational process.
- C. **Suspension** means the denial of attendance for any single subject or class or for any full schedule of subjects or classes for a stated period of time. Suspension may also include denial of admission to, or entry upon, real and personal property that is owned, leased, rented or controlled by the district.
 - Short-term suspension means suspension for any portion of a calendar day up to and not exceeding ten (10) consecutive school days.
 - Long-term suspension means a suspension that exceeds ten (10) consecutive school days. A long-term suspension cannot cause the student to lose academic grades or credit in excess of one semester or trimester during the same school year and cannot be imposed beyond the school year in which the alleged misbehavior occurs.
- D. **Emergency expulsion** means an emergency removal from school for up to, but not exceeding, ten (10) consecutive school days from the student's current school placement by the superintendent or designee. An emergency expulsion requires the superintendent or designee to have good and sufficient reason to believe that the student's presence poses an immediate and continuing danger to other students or school staff or an immediate and continuing threat of substantial disruption of the educational process. An emergency expulsion must end or be converted to another form of corrective action within ten (10) school days from the date of the emergency removal from school. If the district converts the emergency expulsion to another form of corrective action, it must provide notice and an explanation of due process rights to the student and parent/guardian.
- E. **Expulsion** means a denial of attendance for a period of time up to but no longer than one calendar year from the time the student is removed from his/her current school placement by a school district superintendent or designee. An expulsion may not be for an indefinite period of time. An expulsion may be extended beyond one calendar year if: 1) the school petitions the superintendent for an extension; and 2) the superintendent authorizes the extension pursuant to the superintendent of public instruction's rules adopted for this purpose (see Petition for Extension of One Year Expulsion below). An expulsion may also include a denial of admission to, or entry upon, real or personal property that is owned, leased, rented or controlled by the district.
- F. **School business day** means any calendar day except Saturdays, Sundays and any federal and school holidays upon which the office of the superintendent is open to the public for business. A school business day concludes upon the closure of the superintendent's office for the calendar day.
- G. **School day** means a calendar day except school holidays on which enrolled students are engaged in educational activity which is planned, supervised and conducted by or under the supervision of certificated staff and on which day all or any portion of enrolled students participate in such educational activity.
- H. **Reengagement meeting** means a meeting held between the district and the student and parent/guardian to discuss how to return a long-term suspended or expelled student to an educational setting as soon as possible.
- I. **Reengagement plan** means a written plan developed between the district and a student and his/her parent or guardian designed to aid the student in taking the necessary steps to remedy the situation that led to the student's suspension or expulsion and to return the student to the educational setting as soon as possible.
