# BOOK FAIR GRAND EVENT

This fun school activity gives you a chance to spend one-on-one time with a special child in your life. Book Fairs motivate children to read by giving them the opportunity to choose their own books. Your involvement and support tell a child that reading is important. Reading is the most important skill of all!

- A **Grand Event** recognizes the important role family plays in a child's education.
- A **home library** improves a child's vocabulary and overall reading performance.
- **The more children read**, the better they get, and the better they get, the more they'll enjoy reading and keep at it.
- Children who read more develop **higher levels of reading confidence** and perform better in school.
